

COVID-19

SAFETY PROTOCOLS

For the safety of all our attendees (especially those who are older and/or may have a more compromised immune system), please follow these compassionate guidelines:

1. All Conference attendees must be fully vaccinated and boosted against Covid-19
2. Everyone will be required to wear a mask unless eating
3. We will mark off six-foot increments in the pews: If someone is not in your “personal bubble” (i.e., a roommate, spouse, child, etc.), please sit at least six feet apart.
4. Masks and hand gel will be made available on site.
5. If you have a temperature and/or are not feeling well, please do not come. We don’t want to expose anyone to potential germs.
